7 FOR THE NORTHERN DISTRICT OF CALIFORNIA
8

9 SYMANTEC CORPORATION,

No. C 12-0700 SI

10 Plaintiff,

ORDER RE: DISCOVERY DISPUTE

11 v.

12 VEEAM SOFTWARE CORPORATION,

13 Defendant.
14 _____/

15 On May 16, 2014, Symantec filed a discovery letter requesting a discovery teleconference, so
16 that the parties could resolve seven discovery disputes. Docket No. 199. The Court held the requested
17 discovery teleconference on May 22, 2014. On May 23, 2014, the Court issued an order resolving the
18 parties' disputes. Docket No. 204. As part of the order, the Court ordered Veeam to provide Symantec
19 with information disclosing the date each video at issue was filmed and whether the filming location
20 was in the United States by May 27, 2014. *Id.*

21 On May 29, 2014, Veeam filed a non-joint discovery letter seeking relief from the May 27, 2014
22 deadline. Docket No. 207. In the letter, Veeam states that it would be impossible to comply with the
23 Court's order by May 27, 2014 and requests that the Court extend the deadline by 30 days. *Id.* On June
24 2, 2014, Symantec filed a response to Veeam's discovery letter. Docket No. 210. In its response,
25 Symantec argues that Veeam should have been able to comply with the deadline and requests that the
26 Court enter an order permitted the jury to infer that all the videos were made in the United States after
27 October 22, 2012. *Id.* However, Symantec does not assert that it would be prejudiced by the Court
28 granting Veeam the requested extension of time.

1 After reviewing the arguments set forth in the parties' discovery letters, the Court concludes that
2 Veeam has shown good cause to extend the deadline. Accordingly, the Court GRANTS Veeam's
3 request for relief from the Court's May 23, 2014 order and ORDERS Veeam to provide Symantec with
4 information disclosing the date each video was filmed and whether the filming location was in the
5 United States by **June 26, 2014**. This Order resolves Docket Nos. 207, 208, 210.

6
7 **IT IS SO ORDERED.**
